I think we should put something like this
in zoo news

What do the rest of you think ???

6 Dec/93.

Jim,

I spoke to Ann about this memo. She suggested I pass my comments on to you to create the final version for ZOONEWS.

I think the first sentence or two need to be an introduction ~~to~~ of the Committee to the department. Who we are + why we exist. Something like, "The Landscape Committee has been created to..." Then I think it needs to note that it was this Committee that organized last Friday's seminar. Then we can thank everyone for coming, etc.

Just some thoughts. Hope they help.

Janet.
